Volume V

WE, the Seniors of 1963, with deep appreciation and respect, proudly dedicate this fifth volume of the *Troian* to our good friend and teacher, Mrs. Mabel Landreth. We remember her love of English which she conveyed to us, the liveliness and humor she brought to our classes, the long hours she spent on the *Troy Times*, and the friendly interest she had in each of us.

Troian, 1963

We live in a fast-moving, ever-changing world—an age of space, automation, and transition. Yet some things remain unchanged. There will always be the quest for knowledge, the satisfaction in accomplishment, and the companionship of friends. These are things we have in common with past and future generations, for these are the timeless things.

Graduates of 1963:

I appreciated the opportunity of working with you while you attended the Greenville Public Schools. Although you were requested to complete a limited number of required courses to qualify for high school graduation, you had the freedom of choice in the selection of other subjects and activities. If this freedom was exercised properly, you should be well prepared for your next step in academic learning or vocational training.

As a graduate of the Greenville Senior High School, you have an obligation and an opportunity to help uphold the standards of the school through your performance and association with others. Should our services be needed by you at a later date, be advised that we are always ready and willing to help serve the graduates of our school.

Accept the challenges which will come your way as opportunities to succeed by being of service to others. The value of this service will be in direct proportion to your knowledge, ability, and performance. Your value to yourself, your family, and to society as a whole will be measured in terms of your service to others. May you make the maximum use of your talents and thus extend the horizons of human accomplishment and understanding.

. . . Our Principal

Members of the Class of 1963:

As you leave Greenville Senior High School, we feel that you have gained the basic academic skills and knowledge to be successful in worthwhile activities of your choice in the future. We hope that many of you will continue your formal education and many others will begin preparation for vocational responsibilities through study and training in technical and vocational schools.

Your high school education does not provide the technical skills for job placement. Its value exists in providing the broad basic knowledge that will better enable you to adjust to the needs of a rapidly changing world. The explosive nature of the changes taking place throughout the world makes it critical that you be capable of adjusting to new conditions and new job opportunities. It has been said by those who study the labor market of the future that by 1980 most of the blue and white collar jobs known today will not exist due to automation. Many new vocations will appear in this age of computers; however, most, if not all of them, will require training based on the skills and knowledge acquired through general education. The opportunities ahead are numerous and challenging. May you apply yourselves diligently and continue to gain success and happiness.

DOWN THE FIELD

The GHS football squad of 1962 had its finest season of recent years. Piloted by Coach Snyder the Trojans finished with an impressive 7-1 record. Although the team was small compared with most of their opponents, the Trojans' speedy backs and fine line more than made up for the difference in size.

In the season's first contest the Trojans met the Meadville Bulldogs at Stewart Field. Greenville gained the first six points of the season early in the first quarter. Meadville bounced right back with a touchdown and led, 7-6; this lead, however, was short-lived. The running of Brumbaugh and Berryhill plus fine passing by Ed McClure resulted in a 20-7 victory for Greenville in the opener.

The Junior Varsity, under coaches Stone and Stratiff, finished the season with a record of four wins and two losses.

Dave hauls in a pass!

Next the Trojans traveled to Hickory where they picked up their second victory. The Hornets were defenseless against Brumbaugh and Berryhill, who gained over two hundred yards between them. Every player in the Trojan lineup saw action as Greenville won easily, 25-0.

The Trojans dropped their only game of the season to the Sharpshville Blue Devils. The hard-fought contest ended with the Blue Devils on top, 14-7. Greenville led part of the game, 7-6, but a touchdown and a safety by Sharpshville made the difference. The fine running of Brumbaugh was not enough to stop the much bigger Sharpshville team.

The Titusville Rockets could not get off the ground against the Troymen. Once again there was fine running by Berryhill and Brumbaugh, who, between them, picked up 185 yards. Four touchdowns by Brumbaugh, one by Ron Taylor, and some fine line play added up to a 33-6 victory over Oil City on rain-drenched Stewart Field. The highlight of the game was a 62-yard run by Brumbaugh which resulted in six points in the second quarter. The Oilers got their lone touchdown of the game with only 1:23 left in the fourth quarter; this was their first score against GHS in five years.

The 1962 Homecoming game was the scene of the Trojans' fifth victory of the campaign. Barry Morrison accounted for eighteen points on three long runs, while Brumbaugh was responsible for thirteen points. On the final play of the game with Greenville leading, 33-6, Rick Stuyvesant ran fourteen yards for a touchdown making the final score Greenville 39, Mercer 6.

Next, Greenville traveled to Grove City for the big game of the season. The Eagles took the lead in the first quarter, but Greenville

settled down to score twice and lead, 13-6, at the half. In the third quarter, however, Grove City made a long march down the field and tied the score, 13 to 13. As the clock was running out, McClure passed to Morrison on the four. On the next play Brumbaugh carried the ball for the winning touchdown of the game. With the final score, 19-13, the Trojans had beaten their traditional rivals for the first time in six years and had picked up their sixth win of the season.

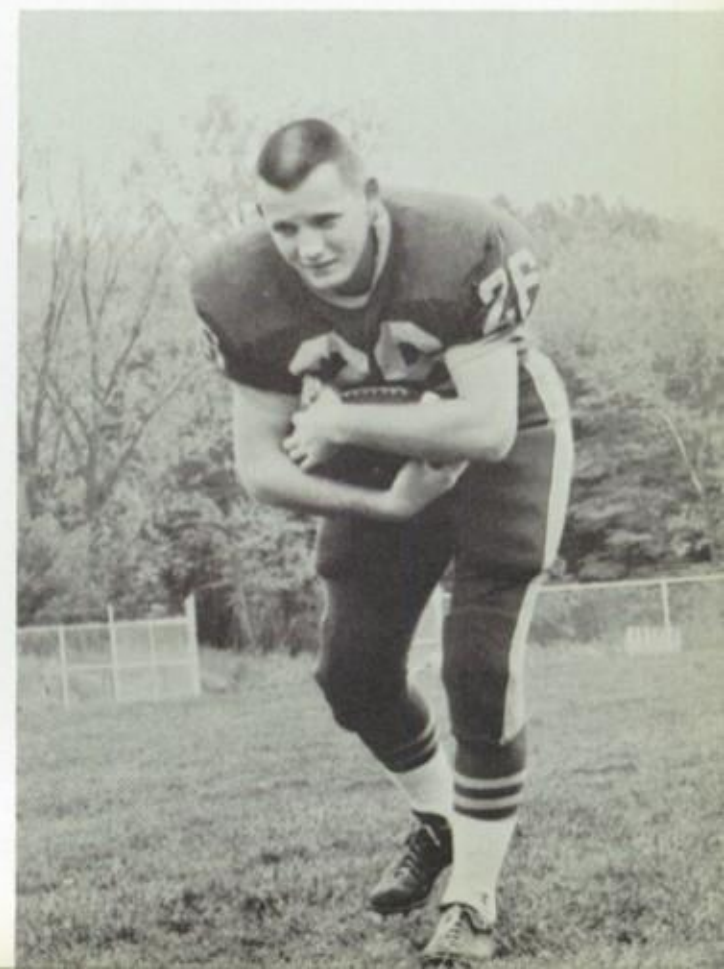

The closing game of the season pitted the Trojans against an optimistic Brookfield team. Their optimism proved to be unfounded, however, and the Warriors wound up on the bottom of a 16-6 score. Brumbaugh piled up a total of fourteen points and set a GHS record for points scored in a season. By winning the Brookfield game the Trojans compiled their finest record since 1954.

THROUGH THE HOOP

The Greenville Trojan basketball squad was coached for the second year by Mr. Klinginsmith. Although they won few games, the Trojans played better ball than they have for a number of years.

Greenville traveled to Mercer for the season's opener. The powerful Mustangs had little trouble beating the smaller Trojan team. The next contest saw the Greenville cagers defeated at Reynolds. Linesville was the scene of another close contest for Greenville; the final score was 48-42.

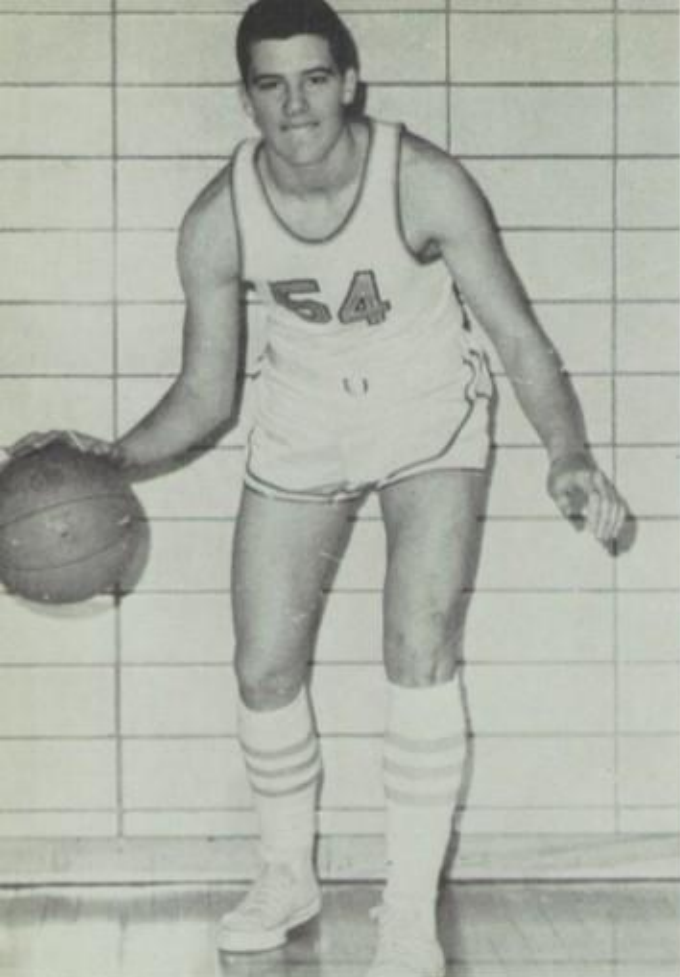

The Trojans' first home contest was also Greenville's first loss in league play; the Sharpville Blue Devils left Greenville with a 71-41 victory. Then the Trojans met Mercer again and fared little better than on the initial outing; however, Al Prebula had twenty-one

points. The Trojans' luck was no better at Grove City where Ed McClure contributed twenty points to the losing effort. The road was no easier at Franklin where Greenville again wound up the loser.

Greenville broke its seven-game losing streak with a 62-50 victory over Cochran. Al Prebula, Barry Morrison, and John Crowther each had fifteen points. Greenville dropped a close one to Hickory by the score, 49-44. The Trojans then came out on the bottom in another league contest with Sharpville.

Greenville won its second contest of the year in a game with Reynolds. The Trojans took the lead early and managed to smother a late Raider rally, thus winning, 49-41.

Don't give up, John!

Greenville picked up its second win in a row and its first league win in a contest with Hickory. The Trojans were behind for three quarters but came to life in the fourth; the final score was 40-37.

Greenville traveled to West Middlesex and dropped another close game, 50-46. The Trojans then dropped a second contest to West Middlesex, this time on the home court. The Trojans lost another game to Grove City; this contest, played in Greenville, saw the Eagles in command most of the way. In the final game of the season, the Meadville Bulldogs defeated the Trojan cagers by the score of 75-52.

ON THE MAT

Greenville wrestling fans followed the 1963 Trojan grapplers, coached by Mr. Clelland and Mr. Ballock, as they chalked up a perfect record. With six returning lettermen and strength in almost every weight, the team rolled on to a 12-0 record, the best in the county.

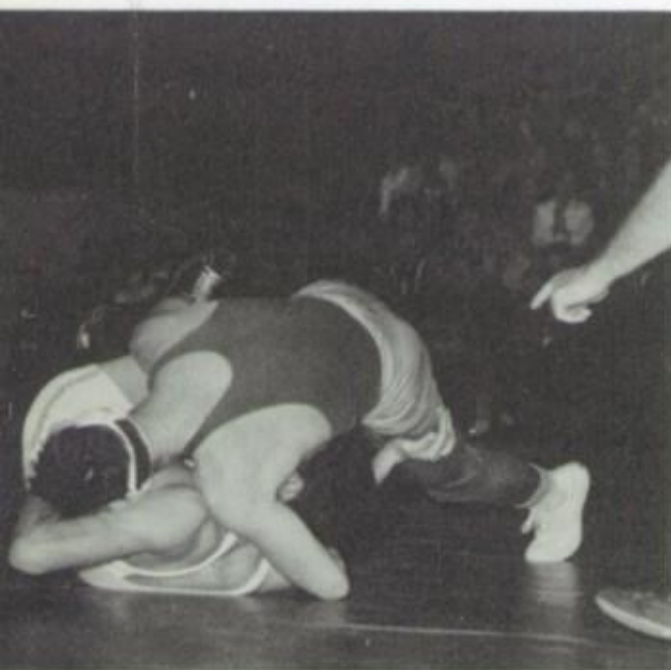

The Greenville matmen traveled to Franklin for the season's opener and picked up their first win. Commodore Perry fell next, with pins by Williams and Bradley accounting for nearly half the points. Then the Trojans decisioned Conneaut Lake, 27-10, on the Lakers' home mat.

The Junior Varsity, wrestling in preliminary bouts before the varsity matches, turned in many fine performances.

Dave in control.

Get that pin, Jim!

The first home match of the season pitted Greenville against Erie Academy; the Trojans gained their fourth win of the season by a score of 33-6. Greenville had little trouble with Jamestown, trouncing them by a score of 41-3. Pins were recorded by Brumbaugh, Vener, and Bradley. Grove City was the next Trojan victim; the Eagles found themselves on the bottom of a 36-8 score. Stuyvesant and Bradley both had pins. West Middlesex provided little competition for the Greenville team. Pins by Hill, Patterson, Stuyvesant, and Bradley helped bring the final score to 47-2. Greenville traveled to New Castle and came back with their eighth win of the season.

Next, the Trojans met a tough team from Reynolds in what proved to be one of the most exciting matches of the season; when the match had ended, the Reynolds Raiders found themselves on the losing end of a 28-16 score. Greenville then took on Oil City and Titusville and picked up two more wins, 24-18 and 46-3 respectively. For the closing contest of the season, Greenville traveled to Hickory for a match with the undefeated Hornets. The exciting match was highlighted by a first period pin by Stuyvesant and Williams' decision over a previously undefeated Hornet. With this match the Trojans won their twenty-third victory in a row and climaxed another undefeated season.

GOLF

The 1962 season was another good one for the Trojan golf squad. Under Coach Breckenridge, the Greenville linksmen compiled a record of four wins and three losses.

The Trojans dropped their first meet of the season to a tough team from Neshannock. In their second meet, they bounced back to hand Sharpville a $14\frac{1}{2}$ to $\frac{1}{2}$ defeat. Greenville went on to beat Hickory and Sharpville again. Then Greenville suffered two close losses, one to Grove City by a score of $8\frac{1}{2}$ to $6\frac{1}{2}$ and another to Hickory by a score of 8 to 7. In the last match of the regular season, the Trojans came back to defeat Grove City, 13 to 2. At District, the GHS squad tied for fifth place in a field of sixteen.

TRACK

Track was again present at GHS in 1962. Although the small team, under Mr. Richard Klinginsmith, lacked experience, they did not lack enthusiasm. Particularly impressive was Baird Gibson, who captured first place in the discus at all three meets. Dave Greenfield, Barry Morrison, Marshall Berryhill, and Rick Stuyvesant also turned in many fine performances.

CHEERLEADERS

Cheerleaders are chosen for coordination, appearance, and ability. This year our cheerleaders performed in attractive new uniforms at football and basketball games and at pep assemblies. The girls taught the students and faculty many new cheers which they had learned at the cheerleading clinic at Slippery Rock State College. The cheerleaders, with the Leaders Club, co-sponsored "Loyalty Day." Girls receive a letter after being on the squad two years, and a sweater for three years' service.

CHEAPER BY THE DOZEN

The junior class, under the direction of Mr. William Acierno, presented their theatrical debut, "Cheaper by the Dozen." It was a rollicking comedy based on some of the hilarious and genuinely sincere episodes in the lives of the twelve Gilbreth children, their efficiency expert father and mother, their pets, and acquaintances. The play centered around the reminiscences of the older children after the death of their father. They remember assembly call, language laboratories in the bathroom, silk stockings, and Miss Brill, the lady psychologist. This production was performed before appreciative audiences on March 23 and 24, 1962.

"Let's have a HOO-RAH and a TIGER for Montclair High!"

THE PROM

"An Oriental Evening" was the theme of the early May prom for the "Year of the Tiger." The juniors, under the direction of co-chairmen Nancy Stevenson and Cecil Moyer, transformed the recreation center into an exotic Far Eastern temple and garden. Juniors and seniors entered a fragrant garden which portrayed the romantic atmosphere of the ancient and beautiful East. Illumination from paper lanterns reflected from a quiet pool. Couples danced until midnight to the music of the Joe Cann Orchestra.

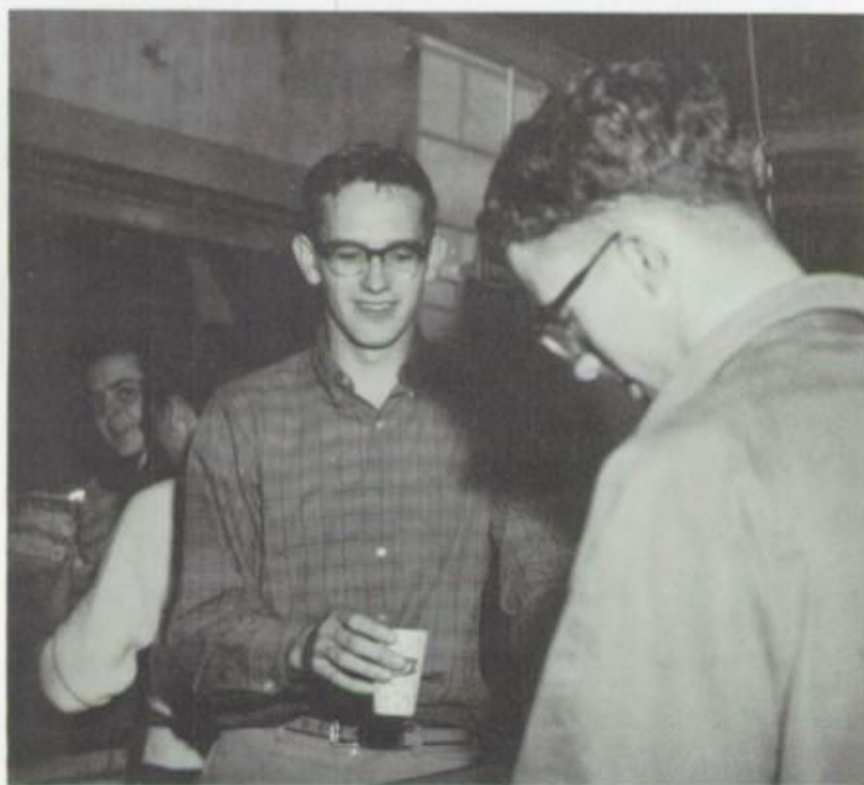

After the prom all proceeded to the Elks Club for the after-prom party. Entertainment provided by a variety act and a hypnotist was followed by dancing to the popular music of the Cavaliers and the Castles. At dawn all returned home with memories that will be cherished for a lifetime.

HOMECOMING

The weather was clear and crisp on the evening of October 12, 1962—just right for Homecoming. At the pre-game ceremonies the court—Jackie Stratton and Larry Reichard, Susan Hodge and John Dodds, Penny Paxton and Marlin Smith, Margie Burton and Jim Brumbaugh—and Queen Sharyn Axtell and her escort Marshall Berryhill proceeded onto the field to the fanfare of the band. After Ed Baer crowned Sharyn, she presented the game ball to Fred Luckock. The Queen and her court then joined with the other fans in watching the Trojans stomp Mercer, 39-6. Festivities were concluded as Sharyn and her attendants reigned at the Homecoming Dance. Couples danced until midnight to the music of the Esquires.

"My mother says that I should have a bigger part!"

OUR MISS BROOKS

The Senior class musical, presented on November 16 and 17, 1962, under the direction of Miss Zabetakis, portrayed the problems involved in producing a class play. Miss Brooks encountered difficulties with the basketball coach, the school board president, the principal, and students who wanted leading roles. Miss Brooks' interest in the basketball coach and romantic conflicts among the members of the play cast further complicated matters and added to the comedy. All ended well, however, when Miss Brooks' play—and our play—proved to be successful.

"One thing about you, Rhonda, you're subtle."
